**Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRSs), the Bangladesh Securities and Exchange Commission (Mutual Fund) Bidhimala-2001 and other applicable Laws and Regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund's to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

#### **Report on Other Legal and Regulatory Requirements**

In accordance with the Companies Act 1994, the Securities and Exchange Rules 1987 and the relevant notification issued by Bangladesh Securities and Exchange Commission, we also report the following:

A provision is recognised if, as a result of a past event, the Fund has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provision is ordinarily measured at the best estimate of the expenditure required to settle the present obligation at the reporting period. Provision for market unrealised loss shall be made in accordance with the rule 3(d) of 6th schedule and in case of provision write back it shall be vice versa. As per Bangladesh Securities and Exchange Commission (Risk Based Capital Adequacy) Rule-2019, the BSEC has introduced concept of Risk Based Capital Adequacy to the capital market and in relation there is a requirement to build up Total Risk Requirement (TRR). As AMC, Bangladesh RACE Management PCI has built up adequate TRR on Balance Sheet as prudent risk management. Further in interest of unitholders the dividend equalization reserve may be used to enhance a period's dividend payout using this reserve built up in previous period.

#### 4.7 Revenue recognition

Gains/losses arising on sale of investment are included in the Profit and Loss Statement on the date at which the transaction takes place. Dividend and interest income are recognised as per IAS-18 and IFRS-15 and Bangladesh Securities and Exchange Commission (Mutual Fund) Bidhimala 2001.

#### 4.8 Statement of cash flows

Cash flows from operating activities have been presented under direct method.
